

# Office Pod

 **Banbury**

 **£30k**

 **3 weeks**

We carried out this refurbishment of the existing team huddle/ meeting room within in a live manufacturing environment. We worked with the client to develop the design and appointed a structural design team to ensure the integrity of the new structure integrating with the existing building.

Work was carried out in an extremely busy manufacturing environment during peak production periods and was completed safely to a very tight deadline.

## Works included:

- Asbestos Removal
- Demolition
- Structural supports
- Solid Partitioning
- Glass partitioning
- Suspended ceiling
- Lighting upgrade
- Decoration
- Air conditioning
