

Engineering Account Manager

THE ROLE AND WHAT TO EXPECT

Due to continued investment and expansion we are seeking a competent Engineering Account Manager to join our Engineering and Maintenance team. Ideally based within 1-hour commute to our Head Office in Kings Norton the successful candidate will be required to travel to customer sites Nationally.

We are looking for highly motivated candidates that can bring a positive impact to the development of the Engineering & Maintenance business unit, you must have a proactive approach when it comes to supporting the engineering & maintenance team to ensure we meet business objectives.

The role comes at an exciting time for the business and offers the opportunity for career growth and a chance to join one of the Midlands most dynamic forward-thinking companies.

WHAT YOU WILL NEED TO SUCCEED

- A strong engineering background and ideally time served in either machining, mechanical maintenance or fabrication
- Experience working within, manufacturing environments such as Food & Beverage, FMCG, Packaging & Automation
- High level of commercial awareness
- Good negotiating skills
- A background in project management & project coordination
- Ability to demonstrate a good awareness of health & safety compliance and understand working with permit to work systems
- Excellent communication skills

ABOUT ADI GROUP

adi Group is a large, multi-disciplined, privately owned engineering company offering a single source, integrated service to provide Totally Engineered Solutions. Founded in 1990, the group specialises in supporting the manufacturing sector in the UK & Ireland, through 16 limited companies and over 20 service divisions. Enjoying exponential growth over the last three years, the Group has seen its workforce increase by 50% to over 500 employees and is expected to double in size by 2020.

WHY WORK FOR US

Whether you work at our flagship head office, at one of our 11 regional offices, or at one of our client residencies, a job at adi is fast-paced and promises variety, progression and opportunity. We are dedicated to creating a winning team with a strong work ethic, a commitment to excellence and above all, a passion for engineering.

HOW TO APPLY

If you are a professional hands-on, self-motivated and team focused individual who is reliable and flexible in their approach to work with a keen eye for accuracy and attention to detail – we want you!
